

SUBJECT: Amendment 1 to Request for Quote 002-09-2025

RFQ TITLE: Community Solar, Micro-grids/ Resilience Hubs, and Fleet Electrification

DATE OF AMENDMENT: SEPTEMBER 30, 2025

DATE OF RFQ RELEASE: SEPTEMBER 25, 2025

CONTACT: [procurement@financeauthority.org](mailto:procurement@financeauthority.org)

---

The following shall be a part of RFQ 002-09-2025. If a vendor has already returned a proposal and any of the information provided below changes that proposal, please submit the changes along with this amendment. You do not need to re-submit an entire proposal prior to the opening date and time.

---

**RFQ Changes:**

**Change #1 – Scope of Services (Page 8):**

**The phrase "Solar for Y'all Program" is hereby replaced with "National Clean Investment Fund (NCIF) and other available funding sources."**

**Old language:**

Scopes of Services FNO is seeking qualified firms to provide a broad range of diligence, advisory, and operational support services to evaluate and implement community solar projects under the **Solar for Y'all Program**.

**New language:**

Scopes of Services FNO is seeking qualified firms to provide a broad range of diligence, advisory, and operational support services to evaluate and implement community solar projects under **National Clean Investment Fund (NCIF) and other available funding sources**.

**Change #2 – Evaluation Criteria (Page 17):**

**Under "Ability to address regulatory and financial complexities (15%)," the phrase "Solar for All program" is hereby replaced with " National Clean Investment Fund (NCIF) and other available funding sources."**

**Old language:**

Ability to address regulatory and financial complexities (15%) – Demonstrated ability to navigate project finance, regulatory compliance (e.g., permitting, tax credits, interconnection), and risk mitigation, particularly in the context of federal funding and the **Solar for All program**

---

**New language:**

Ability to address regulatory and financial complexities (15%) – Demonstrated ability to navigate project finance, regulatory compliance (e.g., permitting, tax credits, interconnection), and risk mitigation, particularly in the context of federal funding and **National Clean Investment Fund (NCIF) and other available funding sources.**

***All else remains the same for RFQ 002-09-2025.***

***Vendor must sign and return this amendment with proposal submitted.***
